

New Mobile Federal Courthouse and John Campbell Courthouse Renovation Town Hall Bulletin

Issue No 1

July 2015

The General Services Administration (GSA) is proud to announce the kickoff for the new 155,600 square foot Federal Courthouse building and renovation of the John Campbell Courthouse building. GSA and the US Courts are realizing years of effort to get these federal projects approved by Congress. GSA welcomes APSI Construction Management, to act as the owners representative with oversight for design and construction, as well as W.G. Yates and Sons Construction Company, URS, and Hartman-Cox Architects as the Design / Build team.

Milestones

New Courthouse

- Construction Start
Spring 2016
- Construction completion
