***This is a request for Judiciary
BPA Pricing for Equipment Only***

The U.S. District Court for the Southern District of Alabama, located at 155 Saint Joseph Street, Mobile, Alabama, is requesting quotes for courtroom technology equipment to upgrade components in Courtrooms 3B and 4A. This request is for equipment and miscellaneous parts only – installation services are not required, and technical support is not required. This is a request for Judiciary BPA pricing under the courtroom technology IDIQ contracts, and a fixed price award for that work. Selection will be made based on the lowest priced, technically acceptable offer.

Quotes should be emailed by close of business on Thursday, September 25, 2025. Please email quotes to william_isbell@alsd.uscourts.gov.

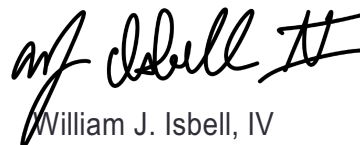

If you have any questions about this RFQ, please contact William Isbell at 251-463-0441, or by email at william_isbell@alsd.uscourts.gov.

Using the quote sheet that is attached, email your quote no later than the date and time specified above. All items may be substituted with equivalent items as long as the equivalent items meet the same technical specifications as the listed items.

Quotes will be evaluated on a Lowest Price Technically Acceptable (LPTA) basis. The lowest priced quote will be evaluated first. If found technically acceptable, no additional quotes will be evaluated. If found not technically acceptable, the next lowest quote will be evaluated. This will continue until a technically acceptable quote is identified.

Final determination of satisfaction of contract will be at the sole determination of the Contracting Officer.

Sincerely,

A handwritten signature in black ink, appearing to read "WJ Isbell IV", with a stylized flourish at the end.

William J. Isbell, IV
Contracting Officer
U. S. District Court
